An Urban Light Community Development Program

The Lighthouse Handbook

The Year of the Lord's Favor

The Spirit of the Lord God is upon me, because the Lord has anointed me to bring good news to the poor; he has sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound; to proclaim the year of the Lord's favor, and the day of vengeance of our God; to comfort all who mourn; to grant to those who mourn in Zion—to give them a beautiful headdress instead of ashes, the oil of gladness instead of mourning, the garment of praise instead of a faint spirit; that they may be called oaks of righteousness, the planting of the Lord, that he may be glorified.

Isaiah 61:1-3 (ESV)

The Lighthouse Recovery Home

Welcome to the Lighthouse Recovery Home! We are a Christ-centered addiction recovery program. It is our vision to break chains of bondage of addictions to drugs, alcohol, and/or other addictive behaviors, which have prevented a full and rewarding life. We pray that your time with us will be pleasant, comfortable, and educational.

The goals of The Lighthouse are: 1) to teach the life skills to maintain a responsible & drug free lifestyle, 2) to find forgiveness for self and others, 3) to develop the wisdom to choose healthy relationships, 4) to embrace your uniqueness and individuality, 5) maintain employment, and 6) to successfully transition you into a financially and emotionally sustainable life. These desired results may be accomplished through maintaining integrity with an attitude of willingness, humility, & honesty. This program is designed to facilitate your success; you will only get out of this program what you put into it!

Our desire is to also reconcile people to God and to each other. In 2 Corinthians 5:17-19 it says,

“Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come. All this is from God, who through Christ reconciled us to himself and gave us the ministry of reconciliation; that is, in Christ God was reconciling the world to himself, not counting their trespasses against them, and entrusting to us the message of reconciliation.”

The Lighthouse is a ministry of Urban Light Community Development Corporation (CDC). Urban Light CDC is a 501(c)3 non-profit organization. An organizational chart can be found in Appendix E.
